## POINTS OF INTEREST:

It doesn't get much cooler than this! Antietam Battlefield in the middle of the night! The single bloodiest battle in American war history took place at Antietam and you are here to re-live it, nearly 150 years later! If you listen carefully, you might just hear the fife and drum in the distance. . . . . courtesy of web designer extraordinaire, Nick Hill, after whom this leg is named.
