VANS

Leave Great Falls and bear right at the top of the hill to stay on MacArthur Blvd. When you cross over the one lane bridge, there will be parking on your right. Head down the path toward the river to meet your runner. If there isn't parking available, drop the next runner and one or two others and go back over the one lane bridge to the first right into the large parking area.

POINTS OF INTEREST:

Relay partner, Kelly Cameron, really wanted to be involved, but injuries kept getting in the way. So, she took over the coordination of the volunteers and all aspects of the Oasis. Since she's involved, she probably doesn't really have a conundrum, but it fit so well!
